

Would you become a 'Friend' of the Elk Grove High School Instrumental Music Association?

The instrumental music department of Elk Grove High School is committed to providing a high-quality, educational music experience for their students.

The goal of the Elk Grove Instrumental Music Association (EGIMA) is to help our band and orchestra students reach their greatest potential. To succeed, each band and orchestra student must spend many long, hard hours in practice and personal development.

Outstanding commitment from our students must be matched with an equally-strong commitment from parents and supporters to make our programs the best they can be.

Would you consider becoming a "Friend" of the Elk Grove Instrumental Music Association by making a contribution? A portion of your donation will directly benefit the student noted on the enclosed contribution form.

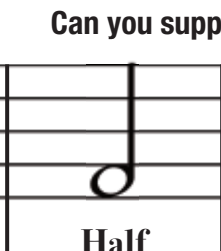

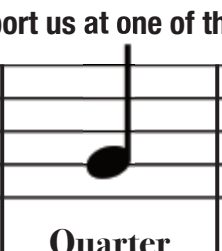

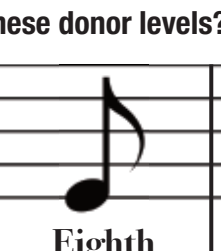

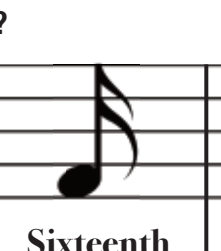

Our Marching Grenadiers will be going to Walt Disney World over Spring Break of 2015. They will be performing in the theme parks and attending clinics to refine their musical skills.

Your EGIMA Friend contribution will help bring down the price and help send these students on a trip they will never forget!

By becoming a 'Friend,' you will be acknowledged in the band and orchestra's Spring Concert programs. We invite you to attend the Spring Band Concert on May 2, the Jazz Showcase on May 17 and the Spring Orchestra Concert on May 28. All concerts will be held in the EGHS Theater at 7PM.
