

April 27, 2015

Dear Band and Orchestra Parents at EGHS,

This letter is to inform you about 2 upcoming fundraising opportunities for EGHS Band and Orchestra students. The first is that we will be selling **Lou Malnati's Frozen Pizza Coupons**. Each coupon sells for \$13 and can be exchanged for a 9" FROZEN Pizza. (sausage, pepperoni, cheese or spinach) Coupon may not be used for the purchase of other items. These are super easy to sell. Students will collect the funds in advance. Checks are preferred. If cash is used please double check to see the correct amount is enclosed. The sale will start this Wed. April 29 and end on May 11. Please assure all money is turned in by Monday May 11. This will assure that we receive the coupons prior to the end of the school year for distribution. These certificates will have the our logo on them and will be good for 6 months. I will pass out order forms to all the kids in class this Wed. April 29. There will be extra forms available in the band room if they are needed. If you have any questions please do not hesitate to contact me. Anne Skoufes 847-340-0500 askoufes@gmail.com

The second fundraiser we will participate in is a Dine and Share at **Big Sammy's !!!** 132 Biesterfield Rd. EGV II. This will occur on May 13. Please mark your calendars now. Sammy has very generously offered to give us 25% of all receipts that day. Lunch, Dinner, anytime till closing on May 13. There will be a box on the counter with our EGHS EGIMA logo. It will be clearly marked. Please make sure to mention EGHS Band and Orchestra or EGIMA. We will have some flyers that will go out prior to that day. If the receipts are not in the box we don't get credit. So please look for the box that day.

We would appreciate you participating in both of these fundraisers. Remember, all of the funds raised go directly to assist the band and orchestra programs. We have an outstanding music program at EGHS and we want to keep it strong. Parent participation is always needed. If you are not already, please consider volunteering next year in EGIMA. The 4 years in High School fly by!

Finally, thank you for all of your support this year. It is hard to believe that we the school year is coming to an end already.

Please contact me with any questions with regards to above fundraisers.

Thanks again!
