Minutes Approval

The June 16, 2010 meeting minutes were approved.

Treasurer's Report

Balance at 7/31/10 - Savings \$14,316.40 / Checking \$139.55 / **Grand total in both accounts total \$14,455.95**
Interest YTD = \$14.57

Beginning in September the Treasurer's Report will be produced in detail and will list every month, every transaction, instead of just monthly transactions.

Sandy Cwiok has completed the audit for GAB. Few recommendations that were made are the following:

1. Create a Check Request Form – this would be a form to be filled out for reimbursement. All receipts would get attached to this form. In addition, it creates a better back up for explanation of why a check was written.

OLD BUSINESS

GAB Fest

The GAB Fest is scheduled for Friday, August 27th. Chips will be donated for the event from AAA Vending, Tasty Catering will be donating food (dogs, burgers, buns, condiments), \$100.00 Gift Card from Meijer to purchase lemonade, cups, aluminum wrap, Jarosch Bakery has offered Chocolate Chip Cookies at \$.25 each total \$137.50, Food 4 Less has offered the 550 ears of corn for \$100.00.

Have not touched base with Kathy Benn (kitchen staff) to coordinate corn cooking. Will be in contact with her on Thursday, August 19th.

Volunteers are in place – hope to still get a few more to sign up.

Hot Dog Warming Unit

It was discussed at our June meeting to purchase a Hot Dog Cooker & Warming Unit. This will be tabled for next meeting once we receive pricing.

Concessions – August 27, 2010

The GAB & Football Parents will be teaming up to run the concession stand at our first home football game. Sherri Skoneczka will purchase additional hot dogs, drinks & candy for football. Any leftover food from GAB Fest will be sold during this time. Profits will be split 50/50 after cost has been covered.

Concert Concessions Fundraiser

To date the GAB has participated in many concerts over the summer. We have teamed up with Choir/Orchestra/Band for this great fundraiser. Since Choir is heading this up this year, we will receive 1 check from them once the concert schedule has been completed.

Going with what the Choir did last year each person takes turns driving to either Charter One Pavilion or First Midwest Bank Amphitheatre. In return with the tip money that is received throughout the night the person that drives is reimbursed \$20.00 for gas, tolls & parking. However, it has come up that if \$20.00 is not made to cover the expense can the \$20.00 be reimbursed through the GAB to the driver. It was mentioned that mileage should be figured on what the State of Illinois mandates and that is \$.50/mile. If this is the case the following would need to be reimbursed back to the member of GAB that participated. (The round trip miles were taken from RandMcNally.com).

Tinley Park – Round trip from Elk Grove High School is 99.4 miles (49.7 miles 1 way)
99.4 x .50/mile = \$49.70 + 6 tolls using IPASS (\$.50x2, \$.50x2, \$1.00x2 = \$4.00)
TOTAL TO DRIVE TO TINLEY = \$53.70

Charter One – Round trip from Elk Grove High School is 54 miles (27 miles 1 way)
54 x .50/mile = \$27.00 + 2 tolls using IPASS (\$.40x2 = \$.80) + \$8.00 parking
TOTAL TO DRIVE TO CHARTER ONE - \$35.80

Driver Reimbursement issue will be tabled until the September meeting.
